## **Local Legislators Announce Summer Enhancement Grant for Quaboag School District**

**BOSTON – Representative Todd M. Smola (R-Warren), Representative Donald R. Berthiaume, Jr. (R-Spencer) and Senator Anne M. Gobi (D-Spencer)** are pleased to announce that the Quaboag Regional School District has been awarded \$25,000 as part of the 21<sup>st</sup> Century Community Learning Centers (CLCC) Summer Enhancement Grant Program. The CLCC is supported with federal funds and is administered through the Massachusetts Department of Elementary and Secondary Education.

“This grant will allow our students to build on what they learned over the course of the year and be better prepared when regular classes start up in the fall,” said Representative Smola. “I want to congratulate Superintendent Brett Kustigian and his team at Quaboag for their outstanding work in securing this important funding.”

"Congratulations to Quaboag Regional School District in receiving this CLCC grant", Representative Berthiaume said. "Superintendent Brett Kustigian and the grant writing staff at Quahog are always at the forefront in finding resources to benefit their students."

The purpose of this competitive grant program is to stem summer learning loss by expanding innovative summer learning programs that address both the academic and developmental needs of students. Programs must increase the total hours of summer programming offered during the previous summer.
